

“His Love Lives On”

Verse 1

**In a crowded room, his voice rang true,
A fire of conviction in all he would do.
He lifted the weary, gave courage to
stand,
With faith in his heart and truth in his
hands.**

Chorus

**He loved deeply, led with heart,
A beacon shining in the dark.
Though the world feels quiet now he’s
gone,
His love lives on, his love lives on.**

Verse 2

**A husband’s smile, a father’s care,
Two little children held close in prayer.
For Erika’s heart, his anchor, his home,
Their love eternal, never alone.**

Chorus

**He loved deeply, led with heart,
A beacon shining in the dark.
Though the world feels quiet now he’s
gone,
His love lives on, his love lives on.**

Verse 3

**He gave his life to voices unheard,
Guiding the young with action and
word.
Though taken too soon, his spirit
remains,
In the lives he touched, his courage
sustains.**

Bridge

**For every dreamer, for every friend,
His light is a flame that will never
end.
Through trials and tears, his truth
will stay,
Guiding us all, day by day.**

Final Chorus

**He loved deeply, led with heart,
A light that won’t fade in the dark.
And though he’s gone, his spirit
burns on,
His love lives on, his love lives on.**

Outro

**Charlie Kirk's love lives on...
Forever strong.**
